PREFACE.

This Index is intended to include all the Acts of the Indian Legislatures (Imperial and Local) from 1834 to 1866, and consists of two Parts. In Part I. the Acts have been arranged in Alphabetical order, under headings, according to the subject; the Acts of general application being in each case placed first, and followed by those applicable to Bengal, Madras, Bombay, North-Western Provinces, Punjaub, and the Straits' Settlements, respectively, as shown in column 4; the Acts of the Local Legislatures have been distinguished from those of the Imperial by the name of the Presidency being placed in Italics over the number of the Act; in column 5 the extent of repeal has been shown in each case. In Part II. the Acts have been arranged in Chronological order.

Every care has been taken to make the Index accurate, and to enter among the headings in column 1 of Part I. all words likely to suggest themselves to persons searching for any particular enactment. But if any errors have inadvertently crept in, the Compiler will feel sincerely grateful to any one who will be good enough to point them out to him, as also to favor him with suggestions, with a view to improvement in any future edition of the work.

An Appendix, showing, in the same order as Parts I. and II., the Acts passed from the 1st January to 30th June 1867, has

been inserted, together with a Table of Addenda showing the alterations in the Acts, included in the body of the work, which have been affected by the Laws passed by the several Legislatures while the work was in progress.

The Compiler has had the assistance of his friends in the preparation of this work; and he begs to offer to them his sincere thanks.

RUGHOONATH DAMODHUR.
